EDUCATION

Cavite State University - Imus Campus
Bachelor of Science in Information Technology

Imus, Cavite
2022 - 2026

PROFESSIONAL SUMMARY

Fresh Information Technology graduate with hands-on experience in networking, structured cabling, IT support, web development, and mobile application development through a 56-day On-the-Job Training and academic projects. Skilled in configuring network devices, website maintenance, troubleshooting, and developing web and mobile applications using modern technologies. Adaptable, detail-oriented, and capable of working in fast-paced technical environments.

ON-THE-JOB TRAINING (OJT) EXPERIENCE

Telematico Corporation
Information Technology Intern

Pioneer, Mandaluyong
March 02, 2026 - May 15, 2026

- Completed a 56-day OJT focused on networking, structured cabling, IT support, and website management
- Configured UCM devices, IP phones, VLANs, and Grandstream communication systems
- Assisted in structured cabling installation, CAT6 termination, fiber optic handling, and cable testing at Megatower project sites
- Conducted website analysis, debugging, plugin management, optimization, and content updates for company websites
- Removed spam and inactive accounts to improve website security and organization
- Assisted in troubleshooting network devices, routers, switches, and system configurations
- Participated in client coordination, project meetings, and technical documentation tasks
- Supported on-site floor plan validation and structured cabling revisions for deployment projects

PROJECT EXPERIENCE

Web Development Projects

- Developed web-based systems and academic projects using HTML, CSS, JavaScript, Bootstrap, and PHP
- Implemented responsive interfaces, database integration, and user authentication features

Mobile Application Development

- Developed mobile applications using Flutter and Android Studio
- Applied UI/UX principles and integrated application functionalities for academic projects

TECHNICAL SKILLS

- Structured Cabling: CAT6 Termination, Fiber Optic Splicing, Cable Testing
- VoIP & Devices: Grandstream UCM, IP Phones, Cisco Devices
- Web Development: HTML, CSS, JavaScript, Bootstrap, PHP
- Mobile Development: Flutter, Android Studio
- Programming: Java, Python
- IT Support: Troubleshooting, Device Configuration, System Maintenance
- CMS & Tools: WordPress, Microsoft Office, Canva, Adobe Acrobat

CERTIFICATIONS

- Grandstream Academy – Unified Communications (UC) & Networking Certification
- Cisco IT Customer Support Fundamentals Certificate
